Approval of prior meeting minutes:

Minutes were reviewed for the previous quarterly meeting April 13, 2026, and a Special Meeting 5/26/2026,

Commissioner McFall moved to approve both sets of minutes together, Mayor Bolkema seconded. Motion passed without opposition.

Presentation from Susan Baillargeon from Front Range Community College regarding the Local Technical Assistance Program (LTAP)

Highlights: LTAP provides training to develop supervisory skills for road and bridge, heavy equipment operators, and flaggers. They provide technical assistance for equipment loans, safety circuit riders, and grant and funding support. They also conduct innovation contests, sponsor regional and national conferences, and provide Wednesday workshops.

They encouraged contacting them for training requests, road safety audits and project support. Heather Carlson (CLTAP), Sanjiv Gupta (CDOT) Jean Millard (CLTAP) also presented.

CDOT Agenda Items: TC Update: Resurfacing projects on US 24 east of Peyton and CO69A to Texas Creek, CO115 Penrose concrete maintenance, and sign replacement on CO9, US24, and US285. Other projects included culvert repairs, ditch improvements. US50 at 8 Mile Hill safety improvements as part of the 10-year

Capital Plan FY 19-26 including improvements along CO 115 West of Canon City to be funded by the Build/Raise grant with Fremont County as the sponsor agent. A decision is due in July. Under consideration is a 3000 foot culvert along 9th St. in Canon City requiring an IGA.

Longer-term Projects: US 24/ CO 67 intersection in Divide, including an unpopular roundabout. CO115A Canon City and Florence Safety/shoulder/resurfacing. CO 67B and CO120A 10-year Capital Plan FY 31-36 projects including rural paving resurfacing projects that may be linked to CO115A project through Florence.

MMOF: local program updates with funding awards for 2027-29 and 2030-31. Custer County and Cripple Creek were both awarded additional MMOF funds for ongoing projects. Summary attached.

Other local project updates: Detailed chart attached.

Transit Updates: Mobility project in Park County, acquired a half- acre lot. CTE for FY27 is open, so re-applications are expected.

Maintenance Updates: Very busy with the Aspen Acres Fire. Most repairs have been shoulder repairs. Also rock fall mitigation, surface treatment in Park County on US 24, and high-priority bridge work.

Other Items: None

Next Meeting: October 19 at UAACOG in Canon City

Adjournment at 11:42 AM
